P-GSP – W/S Garden State Parkway
@ Driscoll Bridge, Sayreville F/N

This oversized spectacular bulletin has an incomparable mile-long read, located just beyond where Routes 1 & 9 and the Garden State Parkway converge to cross the Driscoll Bridge. The board's massive size and strategic position allow both highways to view the sign, providing an opportunity to reach a diverse traffic flow of over 220,000 people daily. This spectacular bulletin provides a tremendous advertising opportunity where OOH is scarce and traffic is constant.
